SHARE LPC Food Pantry Mission Statement

Volunteer agreement form and google classroom info: <https://www.smeastshare.com/>

The LPC Food Pantry has been open throughout the COVID-19 pandemic and is a place where our neighbors and those in counties surrounding ours can get food and encouragement.

How can I serve LPC?

- While we are in the **red zone** instead of volunteering in person we will hold drop-off food drives and distribute flyers about drop off sites.
- While we are in the **green/yellow zones** we have the opportunity to volunteer on Fridays from 3 to 4 pm to make food boxes. (Masks and social distancing will be required.)

Additional Information

- ❑ The pantry will continue to do drive thru service for the foreseeable future.
- ❑ Leawood Pres now makes essential food boxes as well as food bags for Freedom Fire Urban Ministry.

Special thanks to all who are interested in getting involved, donating, and serving during these uncharted times. It's been quite a wild ride adjusting to new ways of learning, trusting, and understanding. We want you to know that we appreciate you very much!

Please contact the project chairs if you have any questions.
