

# School Buddies- Briarwood

Chairs: Blythe Bolar and Molly Tucker

**BRIARWOOD**  
ELEMENTARY SCHOOL

# What Is It?

- School Buddies will give you the opportunity to go to an elementary school, in this case Briarwood, and assist in various tasks that the teachers and students require!

# What Will Volunteering Look Like?

- Due to COVID-19, the format of volunteering for this project is going to look different than in past years.
- We are currently working with Briarwood to explore options for assisting the school remotely.
- If school resumes in person, volunteering for this project would mean helping out at the school during your seminar hour.
- All that being said, many factors regarding the structure of this project are up in the air, so we aren't sure exactly what this project will look like or how often it will occur this school year.
- If you have any interest at all, be sure to sign up and we will let you know as we learn more about what the project looks like this year as we learn!

# Questions?

If you have any further questions, feel free to contact us and ask!
